Good food,a bit expensive, but if you are thinking about these the price is quite balanced. Park me by GSX FSDBosnia_Makarska, Not really very close to the airport but the roads are very well paved and can be driven with a manual transmission with no problem. You can park and lock your car within the house, 2 meters away. The rooms are comfortable, hotel-standard. The owner has a garage and parking available for \$60 per day. Cons: No Location: There is no entrance from the highway, you have to use local street, no parking. Very good value for money. Posted by Stan Only booked this hotel and property through @fiftyfour_fifty booking.com and I'm really glad that I did. It's a good value for money (for me) and the hotel is cleaned regularly and the room was very comfortable.
