

Roof Thatching Services in Dorset

Thatch roofing is a traditional roofing method that involves using dry vegetation such as straw, water reed, rushes, sedge, and so on. Are you looking to hire a team of professional thatching specialists in Dorset? If so, look no further than Mike Bartlett & Sons, who offer the best **Roof Thatching Services in Dorset**. Our services don't just stop at installing thatched roofs. We can also repair and maintain your thatch, ensuring a long and productive life.

Mike Bartlett & Sons is a reputable **Roof Thatching Salisbury**, company that provides high-quality thatched roof repair services to customers throughout the New Forest, Wiltshire, Hampshire, Dorset, and the surrounding areas.
