I'm still taking it easy as I'm recovering from a minor surgery and having a few other things to deal with. I was also going to share some news but will do that next week. Keep in touch. That was today's post so I thought I'd share this really neat set of new paints that Rubylit have launched to the public. This is a set of 18 quality paints! Go check them out and let me know what you think. I have just discovered Rubylit through Artistic Embellishments (see sidebar) and I love it. Their products are very affordable, their range of paints are so extensive and they carry such a wide range of colours. They have a huge choice of paint, even the mini can be used to create unique surface finishes and
