Multiplayer In FIFA 20, FIFA Ultimate Team Ultimate and Customisation was updated to introduce FIFA Ultimate Team Rare Items. There are more than 500 new rare items you can buy for FIFA Ultimate Team and Ultimate Team management. You can now share your Ultimate Team's best players with other players, and they can also be exported to other players' squads. The new feature also lets you discover all the hidden items in the game. In the latest update, EA Sports has also implemented "Card Collector" functionality. Through this functionality, you can create and customize your own cards and compete with your friends online. You can also "manage" your cards in-game, view "historical" details of your cards and the cards that have been collected by the Community and selected Ultimate Team managers. 1 of 3 PlayStation 4 Loading PS4 FIFA 22 on PS4 will let you play as one of the players or teams that appear in FIFA titles, and even take on the likes of Cristiano Ronaldo, Lionel Messi and Neymar. These players have been digitised to provide an authentic feel to the console version, and more than 160 licensed real-life players can be selected. You'll also be able to play in more than 15 modes in the new PS4 game. Here's everything you need to know: FIFA 22 beta version will be available in EA Access from September 28th and will include: New features and improvements The following will be included in the beta version of the game:

- New explosive dribbling moves;
- Dynamic, contextual player awareness;
- New AI techniques;
- New animations for goal celebrations;
- Instance replay speeds adjusted for easy viewing;
- New graphic effects;
- New, accurate depth of field;
- New camera angles;
- New "Simulator" view that allows you to view the game through the eyes of the player's or player's goal and match day stats;
- New "Bronze", "Silver", and "Gold" FIFA Ultimate Team Rating System, complete with best odds and best rewards;
- Improved Ultimate Team management;
- New online content featuring English Premier League clubs and teams;
- Improved multi-screen support;
- New footballs and

#### **Fifa 22 Features Key:**

- Live on the pitch as both players and managers. Develop your qualities as a **coach** at your very own **club** with options to be a player, sign players, develop players and transfer them.
